Race Format

The Races will be run to the following format:

The first and second runs will be held in bib order, the better of these times to count towards the total. The third run will be held in reverse time order with the slowest going first, and must be completed successfully, i.e. the result will be the sum of the better time of runs one and two, plus the time for run 3. All runs will be down the same course.

Bib Issue

Listen to announcements for Bib Issue. Each individual competitor is responsible for their own bib. Race bibs must be returned to the Finish Marshall in good order on completion of the competition. Failure to do so or if condition of returned bib is unacceptable then a fee of £25.00 will be levied against the competitor.

Race Rules/Health and Safety

- The race will be run under F.I.S. rules as varied by the SSE and published in the British Artificial Competition Rules (BACR) 2008. This manual is available on <http://www.gbski.com/rules.php>.
- Racers and race officials should also be aware of the Guide to the Rules of Ski Racing with particular reference to "course inspection" and "start procedure". This guide is available for download from <http://www.britski.org/racingguide07.pdf>

- The Jury has the right to refuse a racer starting if the racer does not appear on time in the start. The Start Referee will be instructed to work to FIS613.6. Start Licences may be checked.
- TDs have been instructed to apply the unsportsmanlike behaviour rule to any competitor using bad language.
- Competitors are reminded of the regulations requiring the use of protective ‘bungs’ or caps on ski pole tips, and those governing the limits on ski/binding height. These regulations will be enforced during this event.
- All participants must wear a properly fitted and approved safety helmet appropriate for skiing during training and competitions. (The European Standard for ski helmets is BS EN 1077:1996 Specification for helmets for alpine skiers.)
- Gloves and long sleeves must be worn at all times whilst on the slope, including during practice, course inspection and the race itself. Racers are reminded that their clothing should provide adequate protection. Racers must wear clothing that adequately protects their body; that is ankle to wrist cover. Racing in crop tops is not acceptable.
- For health and safety reasons no ski preparation/spraying etc is to take place within the start area.
- **NB. ONLY CLEAR LUBRICANTS MAY BE USED, ie no “Yellow” or “Blue” etc. Racers found using “coloured” lubricants will not be permitted to race until removed from skis.**

Car Parking

Enter the ski slope at the bottom on of the ski slope, this will be sign posted. Do not use the main entrance. In the event that it is raining there maybe another entrance open further up the hill, but again this will be signposted.
