Norfolk ERSA Sunday 11th July

With the cables being caught up in the lift and the first racer having to re-run, Bernie must have been thinking that his plan to run the race early and finish quickly was crashing around his ears. Not so, the race ran smoothly and despite the heat and a few technical problems a great day's skiing took place at Norfolk.

Unfortunately none of the racers from Hemel could make it but one racer did come from Milton Keynes, Joseph Gee racing for the first time on a dry slope coming 9th in his age group. Well done to him.

Lastly, thank you to all of the officials that volunteered to run the race, gate judge, take bibs, serve food & drinks etc. Its worth remembering that most of these volunteers have children racing, they would like to watch them race, but give up their time to make it a great day for all of the racers.

If 9 non-racers volunteer to gate judge then they might only have to do one run. Unfortunately, if only 3 volunteer, they have will probably do all three runs. As with the running of the clubs, it's the volunteers that make the club successful just as much as the racers. Volunteers are needed for Tallington, please contact your race manager or Ian Mawson i.mawson@ntlworld.com.

Oops!! Just fell off my soap box, here are a few images and the results, if anyone would like to send photos to me please feel free.

Fastest on the day,
Shaun Blyth takes his medal

OMG this guy never stops talking, that's it I'm going to nick his hat!!

Finally, well done to Nicholas Billingham. He realised that he should not have been awarded first in BG1 and came forward and said he should have been DSQ'd on one of his runs.

Its easy to say honesty is the best policy, and though he lost his medal in this race, he'll have plenty of opportunity for more.

I would love to have comments/pictures from the other clubs, either send some information to me or speak to me at the race. I don't bite!!

I'm the fattish, bald one, no not Bernie the other one!

Sometimes, just getting them to look at the camera is the hardest part.

See you all at Tallington
