Race Rules

The race will be run under F.I.S. rules as varied by the SSE and published in the British Artificial Competition Rules (BACR) 2010. This manual is available on <http://www.gbski.com/rules.php>. Racers and race officials should also be aware of the Guide to the Rules of Ski Racing available on <http://www.britski.org/racingguide10.pdf>

Competitors are reminded of the regulations requiring the use of protective 'bungs' or caps on ski pole tips, and those governing the limits on ski/binding height. These regulations are liable to be enforced during this event.

Gloves and long sleeved garments which also cover the midriff must be worn at all times whilst on the slope, including during open practice, course inspection and the race itself.

All competitors MUST wear a properly fitted and approved safety helmet on the slope throughout the event; this includes practice session, course inspection, fore runners, and the race itself. Helmets should be compliant with standard BS EN 1077:1996 Specification for helmets for alpine skiers).

It should be noted by all competitors that the use of 'Yellow 77' lubricant is not permitted at Norfolk Snowsports Club.

Race Format

The races will be run to the following format:

The first and second runs will be held in bib order and the better of these times will count towards the final total. The third and final run will be in reverse time order based on the best time from the first two runs and must be completed, i.e. the result will be based on the best time from the first two runs plus the time from the third.

All runs will be down the same course.

Courses will be set as a single pole slalom with double poles at start and finish gates and at vertical combinations

Course Inspection

The course must be inspected wearing skis (or properly leashed snowblades), and bibs must be worn **correctly** throughout inspection so that the bib is clearly visible from **both** front and rear. No-racer is allowed to ski the course during inspection. Course inspection may start from any point on the course and racers must come to a complete stop between each gate when inspecting. The first 10 minutes of course inspection will be for boys and girls and females, the next 10 minutes will be for all racers, and the last 10 minutes for males.

Only Accredited Race Trainers/Coaches will be permitted to accompany their racers on the course during inspection.

Race trainers/coaches may accompany their racers provided they are qualified and carry the relevant accreditation issued by the race office on the day or prior to the race. This form is available for download from <http://www.britski.org/Coaches2009.pdf> No other people will be allowed to enter the race area.
