1. Day Registration allows an unregistered racer to compete in one Snowsport England Club National (or other event if specifically designated in the regulations for that event) in any one season.
2. All such competitors must have completed a signed "Athlete's Declaration" before they will be allowed to race. If a declaration has already been completed (for example in a race in the previous season) then a second is not required.
3. Fee of £5 is due for any competitor who is not currently a member of a club that is itself currently affiliated to Snowsport England
4. Check the Race Calendar for race entry fee, there may be different entry fees for some races (e.g. indoor snow competitions).
